Vol. 24 Sunday March 19th 2017 No. 15

CHURCH of St. Canice and St. Margaret

TOO LATE For LENT?

So you haven't got around to doing anything for Lent and wonder if it is too late? Are you thinking that you might as well forget about it now and try next year instead? The answer is that it is never too late to do anything for God, including Lent. Even if there is only one day left to do something, God will be delighted at the effort because, after all, an effort made, even if it is small and late, it is still an effort God will see. It's not too late to do something for Lent and one of the places we might start is to say we are sorry, whether to God or to another person.

Thank you Luke! Farewell! God speed!

Luke O'Sullivan, our Assistant Sacristan, is leaving us after 15 years service in our parish. Luke began his involvement in St Canice's when Fr. Pat Guckian was Parish Priest, and has served under numerous priests, right up to the present. The hallmarks of his work are efficiency, careful attention to detail, and meticulous keeping of records. Luke is leaving us to take up a full time job with Fanagans Funeral Directors. Their gain is our loss. We thank him for his devoted service and wish him every blessing in his future career. If you would like to make a donation towards his presentation please enclose your gift in an envelope and drop it into the Parish Office on any day up to 31st March 2017. We will miss you Luke but you will always be welcome here in St Canice's!

St. Margarets ATUNING OUR MINDS TO OUR VOICES

When we gather for Mass we constitute "the sacred assembly" of God' people. We do not gather, therefore as a group of individuals without any real spiritual bond, nor do we gather as a community closed in on itself, concerned only with our own members. We assemble as sons and daughters of God, God's people, open to embrace the whole world as we pray for "all your children scattered throughout the world". The Mass forces us to look beyond ourselves and our own needs. Our participation in the celebration of the Mass challenges us to see others as God sees them and to be open to others as Christ is open to us. As we consciously say the prayers of the Mass we are proclaiming the truth that God is our loving Father and also that we are all children of God, brothers and sisters of Jesus. We are accepting afresh our relationship with the whole human family as brothers and sisters.
