Is It Necessary to Pray?

It is necessary to pray and to pray often, because God commands it and, ordinarily, He grants spiritual and temporal graces only if one prays.

Why does God Grant the Graces we Ask?

God grants the graces we ask because He, Who is all faithful, has promised to hear us if we pray to Him with hope and perseverance in the Name of Jesus Christ.

Why should we pray to God in the Name of Jesus Christ?

We should pray to God in the Name of Jesus Christ, because only through Him, His Son, the sole Mediator between God and man, do our prayers and good works have value: which is why the Church always ends her prayers with these or similar words:

Through Your Son Jesus Christ Our Lord

LIFE

Life is a series of if, but and maybe, of doubt, misgiving and fear, of wondering where the road may be leading and wondering why we are here. A series of problems, of puzzles and tests and lessons we all have to learn, with so many questions and very few answers and wondering which way to turn. Yet there in the midst of the ifs and doubts a light seems to show us the way, Love lifts the spirit as hope awakes anew and life is a gift every day

TOMORROW

Two wise men walking down the road of Time, saw Tomorrow approaching dimly in the distance. They shouted, "Tell us, Tomorrow, what are you like? Shall we fear you or feast you?. Tomorrow answered, "Come to me neither with anxiety nor with fuss or delay, but with faith and hope and with today's work well done. You cannot know ahead what I am like, but when you reach me, You shall see me through the eyes of what you are.
